

WEDDING SERVICES

by Ariana Cook

Food, drinks, table setting, wedding cake...
Everything is personalized

FOOD

Ariana and the Chef assemble menus according to the client desires. Adding their French touch in every meal, they can be with meat, with fish, vegetarian or vegan.

When choosing sitted dinner or buffet service, there will always be French baguette or country bread.

Other options can be French snacks delivery (as we already did on a boat), or finger food, flying or buffet style.

It is really important for us to get to discuss wishes, possibilities and requirements with the client as we want to offer a service as much personalized as possible.

DRINKS

To celebrate a wedding, what better than French champagne, crémant and wine! Our supplier has a wide variety of bottles, and Ariana has the talent to match the perfect one with the menu.

Of course we cannot forget about beer. We can provide locally brewed beer, Belgian or even Canadian beer.

About soft drinks, no wonder local water (classic, medium & still) will be available. We also homemade limonade, ice tea and ginger shot (for winter).

Our limonade can be mixed with vodka for cocktail fans, and we can even call on our friendly professional bartender.

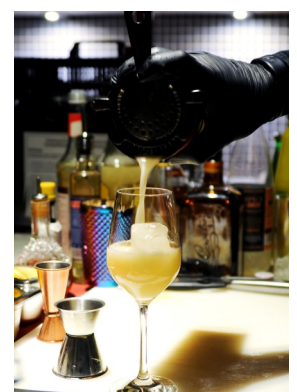

TABLE SETTING

Which ever the wedding theme might be, we will always decorate the table accordingly.

Plates, cutlery, glasses and colored napkins, we master the *Art of the Table*.

Flowers and floral bouquets, candles and other ornaments are additionnal decorative elements we will take care of.

Little extra, we can provide handmade wedding favors for the guests, adults and children. Pouches of meringues, biscuits or other mini pastries to please the sweet teeth.

The clients must feel free to ask for any special request!

WEDDING CAKE

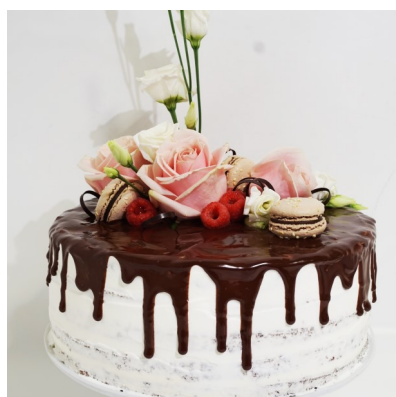

1, 2 or 3-level wedding cake, with the client's favorite flavors. Seasonal fruits, vanilla, dark milk or white chocolate (French quality), caramel, matcha and much more.

The decoration is of course personalized with flowers, fondant, fruits, cream. Fans of hiking? No problem!

We can also propose a pyramid of macarons, mini tarts and other delicious finger pastries.

Number cakes are our specialty. We could make a « Just Married » letter cake.

Our Pastry Cheffe is up for any challenges !

SHARED EXPERIENCES

“

Un grand merci à toute l'équipe d'Ariana. Le vin d'honneur franco-allemand huîtres-bretzel a été un franc succès. Une équipe visiblement tout terrain qui s'est décarcassée pour nous, aussi bien dans le parc qu'en salle : discrète, à l'écoute et souriante. Bien sûr des imprévus, mais c'est le lot de tout mariage. Du moment qu'en coulisse on sait s'adapter c'est royal. Merci encore !

Ariana und ihr Team haben unsere 130 Hochzeitsgäste mit einem tollen Abendessen umgehauen. Alle äußerten sich nur positiv zum Abendessen und das Essen wurde offensichtlich mit größter Sorgfalt zubereitet! Wir empfehlen Ariana jedem, der französische Küche liebt und einen vertrauenswürdigen Caterer sucht! Vielen Dank, Ariana Cook und Team!

Ariana und ihr Team sind überaus zuvorkommend auf uns eingegangen und haben unsere Ideen besser umgesetzt, als wir uns vorstellen konnten. Wir würden sie jederzeit weiterempfehlen und haben ihren Service seit unserer Hochzeit auch für andere Events gebucht.
